

Support & Protect Your Watershed

TOUR OF HERRICK FEN

Thursday, April 19, 4:00-6:00 p.m.

Herrick Fen | Meet in parking lot

8260 Seasons Rd, Streetsboro, OH 44241

Join TCWP & The Nature Conservancy for a tour of Herrick Fen! Fens are a special kind of wetland that used to dominate the headwaters of our watershed.

TNC protects these crucial and beautiful ecosystems.

In return, volunteers will pull some garlic mustard!

Garlic Mustard is a common invasive species in our watershed that comes up in the spring. You can help native plants thrive by removing this easy-to-pull invasive. Please sign up with Kate Chapel (kchapel@tinkerscreekwatershed.org or 330-963-6243) prior to the event. TCWP will provide trash bags, gloves, and water. Please wear long pants and closed-toed shoes.
