

Rain Barrel Workshop

May 22, 2018 from 6:00-7:00 PM

Macedonia City Hall

9691 Valley View Road, Macedonia, OH 44056

Join us for our rain barrel workshop in the City of Macedonia! Participants will be instructed on how to put together their rain barrel at the workshop. Assistance and tools are provided.

A complete rain barrel system is only **\$50!**

This system includes: a white 55-gallon barrel, downspout diverter, and spigot. Barrels can be painted!

Rain barrels can divert hundreds of gallons of stormwater over their lives, and YOU can use it to irrigate your yard and gardens. You may also be eligible for a credit towards your stormwater utility fee!

Participants **must** register and pay for the barrel(s) by **May 15th** to reserve a spot and a barrel! Contact Kate Chapel at 330-963-6243 or kchapel@tinkerscreekwatershed.org
