

Lake Erie Starts Here

Rain Barrel Workshop

& Installation

June 26, 2018 6:00-7:00 pm

for

Board of Education Building
(25641 Solon Road, Bedford Heights, OH 44146)

**A complete rain barrel system
is only \$50!**

Complete system includes: a white 55 gallon barrel, downspout diverter, and spigot. Barrel can be painted.

Participants will be instructed on how to put together their rain barrel at the workshop. Assistance and tools are provided.

Participants MUST register and pay for the barrel(s) by *June 18* to reserve a spot and a barrel.

Contact Kate at 330-963-6243 or kchapel@tinkerscreekwatershed.org for registration information.

TCWP will be installing a rain barrel at this workshop! You'll see exactly how to set one up on your own home.
