Member Perks

Whether a business, individual, or non-profit group, a membership will provide you with recognition in our newsletter, website and hosted events as an active environmental steward!

Members are our most important people!

- Special member pricing for festivals and events
- Many volunteer opportunities to help restore and protect your local watershed
- Open invitation to our monthly board meetings
- Volunteer Days set up with TCWP where you and your friends and family can come out with us for environmental restoration and rehabilitation projects
- Annual member summer picnic

Business Members Only

- One Regular Attendee registration (value \$195) to the annual Ohio Stormwater Conference (does not include exhibitor registration and booth space)

Who are Tinker's Creek Watershed Partners?

We are a non-profit, 501(c)(3) watershed organization officially established in 2006. Our mission is to protect and restore water quality and habitats of Tinker's Creek, through community partnerships.

What is a watershed anyways?

A watershed is an area of land that contains a common set of streams and rivers that all drain into a single larger body of water, such as a larger river, lake, or an ocean.

Even the land you live on has ground water that will drain into nearby creeks! Everywhere is a watershed, right beneath your feet.

What does my donation provide?

Your tax deductible membership will support outreach and resources that promote watershed protection such as:

- Stream cleanups, watershed tours and events
- Resources used for watershed restoration
- Research and watershed studies to improve water quality
- Workshops and educational presentations
- Development of the annual Ohio Stormwater Conference

Volunteer with us!

We have many different volunteer opportunities for you!

- Stream restoration projects
- Tree and native species plantings
- Invasive species removal
- Stream Quality Monitoring
