The Northern Ohio Watershed Corps (NOWCorps) is an AmeriCorps program funded by ServeOhio, Ohio's commission on service and volunteerism, as well as the Corporation for National and Community Service (CNCS), the federal agency for volunteering, service, and civic engagement. CNCS engages thousands of Americans in citizen service through its AmeriCorps and Senior Corps programs every year and leads the nation's volunteer and service efforts. For more information, visit nationalservice.gov and serve.ohio.gov.

Our 2019-2020 service year ran from October 1, 2019 through September 30, 2020. Tinker's Creek Watershed Partners (TCWP) is proud of the impacts NOWCorps members have made on their communities and within their Host Site organizations.
