Your quarterly news & updates

TCWP cares about the health and safety of everyone who supports our organization. In an effort to limit the spread of the coronavirus (COVID-19), TCWP continues to alter the format of our events.

Want event dates to put on your fridge? [Click here to be added to a physical mailing.](#)

Upcoming Events

TCWP continues to adapt to COVID-19 with some socially distant modifications:

- [June 24](#) Center Valley Hike
- [June 26](#) RiverDay Stream Clean
- [July 20](#) Rain Barrel Workshop Northfield
- [August 5](#) Golf Outing
- [Multiple Dates](#) Water quality monitoring

Help us track Beech Leaf Disease

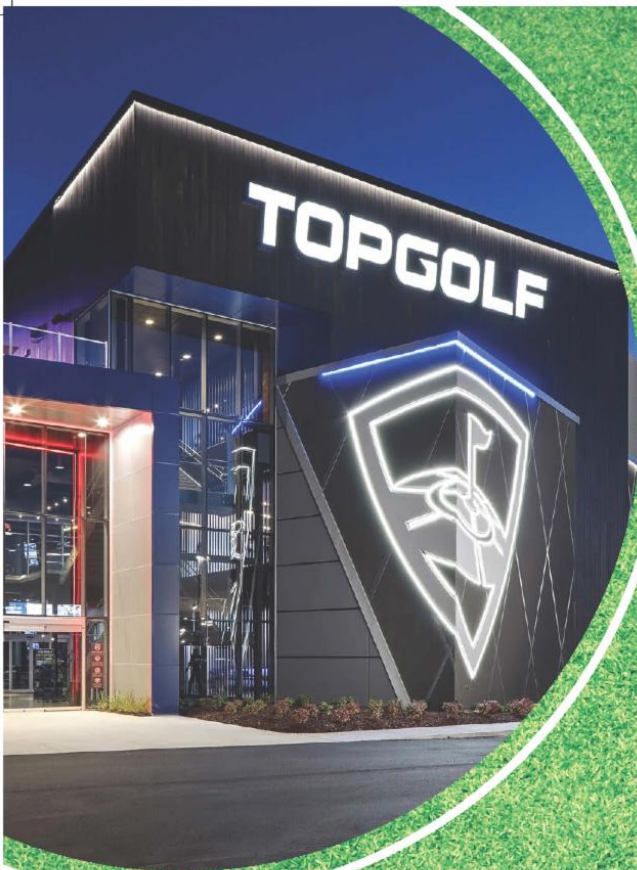

Beech Leaf Disease has been found in the Tinker's Creek and Brandywine Creek watersheds, and we need your help to track its spread.

The disease is readily apparent looking up into the canopy to see dark bands on the leaves. Leaves

will also begin to thicken, curl, and turn black.

More information on this disease and where to report it can be found [here](#).

The Stacey Faile Memorial Fund

This spring, we lost a great friend, colleague, and member of our watershed family. Stacey Faile passed away on May 13, 2021.

She volunteered for many organizations. She was a Board member for the Tinker's Creek Watershed Partners and always helped out whenever needed.

We have created a scholarship fund to honor Stacey. Donations to this fund will support the next generation of environmental scientists and environmental engineers to make a positive impact on Northeast Ohio.

Please consider donating to this fund in honor of a special person who touched so many.

Donations can be made through our main donation button at the top left of our [home page](#), just note in the special instructions that this is for the Stacey Faile Memorial Fund.

Restoration Projects

Owen Brown Street Stream Restoration

TCWP has been awarded a Section 319 with the Ohio and US EPA to restore >1,800 linear feet of stream in Hudson! The City of Hudson had provided generous match for this project.

A public information meeting will be held on June 30 at 5 pm via [Zoom](#).

HUB District Riparian Enhancement

Warrensville Heights has been awarded a \$34,000+ Clean Ohio grant from the Ohio Public Works Commission with matching funds of \$11,000+ from the City. Funds will be used to enhance and permanently protect 5.6 acres of riparian habitat and wetlands along Bear Creek, a major tributary to Tinker's Creek. Be sure to follow the TCWP newsletter for updates on this project's progress! @TinkersCreek_WP
