

Aurora Lake

RAIN BARREL WORKSHOP

863 Collica Cove, Aurora, OH 44202

March 12, 2022 | 10-11 AM

Complete Rain Barrel: \$50, Includes a white 55-gal barrel, downspout diverter, and spigot

Connection System only: \$25, Includes a white 55-gal barrel and connection

Participants will be instructed on how to put together their own rain barrel at the workshop. Assistance and tools are provided, but please bring a power drill if you have one. This will make the workshop more efficient.

Register Here: <https://tinkerscreek.org/events/barrels-march/>

Participants MUST register and pay for the barrel(s) by Feb. 28th to reserve a barrel
